Please be informed that the Committee on Tourism will conduct a joint public hearing with the Committee on Local Government on **Monday, July 16, 2018, 1:00 p.m. at the Senator Claro M. Recto Room** to deliberate on the following:

- **Proposed Senate Resolution No. 689** – Resolution directing the proper Senate Committees to conduct an inquiry, in aid of legislation, the need to create an inventory of island destinations to aid in the implementation of the Tourism Development Master Plan (*Introduced by Senator Binay*); and

- **Proposed Senate Resolution No. 705** – Resolution directing the Senate Committee on Tourism and other appropriate Senate Committee/s to look into, in aid of legislation, the administration's rehabilitation plan on Boracay, and further, assess the readiness of the Department of Tourism (DOT), Department of Interior and Local Government (DILG), Department of Public Works and Highways (DPWH), Department of Trade and Industry (DTI), Department of Social Welfare and Development (DSWD), Department of Labor and Employment (DOLE), and other related government agencies in assisting the residents of Boracay, the workers, and the business establishments that will be affected by the impending six-month closure of the Island with the end in view of determining whether there is a need for a remedial legislation, and whether closing Boracay entirely for six months is the best approach in rehabilitating the Island and is not a thoughtless decision made on a whim to favor certain individuals/groups, and ensuring that those who are set to be affected, if this pushes through, will be provided with adequate assistance, including, but not limited to, livelihood, employment, and relocation, if needed. *(Introduced by Senator Trillanes IV)*

Your presence in the meeting will be highly appreciated.
