SENATE
S.B. No. 2690

RECEIVED BY: 

Introduced by Senator Ramon Bong Revilla, Jr.

EXPLANATORY NOTE

The Philippine Public Safety College (PPSC) was established through the implementation of Republic Act 6975, otherwise known as *An Act Establishing The Philippine National Police Under A Reorganized Department Of The Interior And Local Government, And For Other Purposes*. Chapter 6 of the said law provides for the creation of the PPSC.

The PPSC, upon the implementation of RA 6975, has indeed been the *premier educational institution for the training, human resource development and continuing education of all personnel of the PNP, Fire and Jail Bureaus*. It is the umbrella organization that oversees the various education and training programs offered by its component training units, which are the following: National Police College (NPC), Philippine National Police Academy (PNPA), Police National Training Institute (PNTI) and its 18 Regional Training Schools (RTS) nationwide, Fire National Training Institute (FNTI), Jail National Training Institute (JNTI) and the National Criminalistics Research and Training Institute (NCRTI). Thus, the PPSC's importance as the supervisor of all educational institutions for our police force should be emphasized, paralleled to how we give due importance to the protectors of our community.

This bill then seeks to codify the creation of the PPSC. The institutionalization of PPSC's organization, powers, functions, and mandate is a step towards strengthening the College. Through the promulgation of these policies, we seek to enable them to have a more integrated education system.

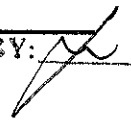

It is this proposal's aim to develop a highly competent police force that will ensure public safety and internal security to the community. Thus, passage of this bill is earnestly sought.
